

# GET £1 OFF YOUR NEXT PURCHASE OF DENTALIFE PRODUCTS FOR YOUR PET

**Voucher valid for Dentalife Dog, ActivFresh Dog chews or Dentalife Cat 40g treats**

As humans we recognise the value of good dental and oral health. Not only does it assist everyday activities like speaking, eating and smelling, but it also underpins our overall wellbeing.

The same is true for our cats and dogs. Maintaining a good oral health routine is critical for our furry companions – a healthy and functioning mouth will help your pets live a long, healthy and joyous life.

Oral healthcare is key to your pet's wellbeing and Purina's Dentalife treats can help support your cat or dog's oral hygiene. The chewy, porous texture of these products help to effectively clean

even the hard-to-reach teeth, and naturally clean your pet's teeth.

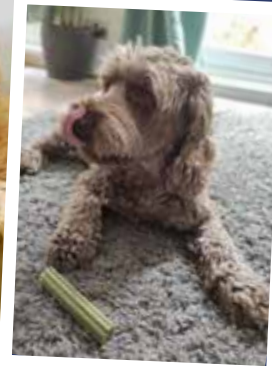

Purina is offering Evening Standard readers £1 off their next purchase of Dentalife products to help look after the oral health care of their beloved pets.

Dog owners can claim Dentalife Dog or ActivFresh Dog chews, while cat owners can redeem the voucher on Dentalife Cat 40g treats.
